### **Landscape Architect/ Designer: 3-5 years' experience**

Offshoots, Inc. is seeking a landscape architect/ designer, with three to five years of experience, to join our growing Boston office team!

Responsibilities will include but not limited to:

- Illustrative graphics that support the project throughout the various design phases including 2D renderings and 3D modeling and renderings
- Construction detailing and AutoCAD drafting of projects ranging from residences to multifamily housing, public parks, and streetscapes
- Design collaboration within the Offshoots office and with our many consultants
- Graphic layout of reports, proposals, and image books in InDesign
- Opportunity for design collaboration and research in planting design, phytoremediation and ecological landscape approaches
- Writing project narratives and research summaries
- Flexibility to perform marketing support on proposals, social media and company website

**About our Practice:** Focused on creating productive landscapes that provide ecological, social, and economic benefits, Offshoots, Inc. is an award-winning landscape architecture, planning and horticultural installation studio in Boston. We specialize in the design of green infrastructure and phytoremediation systems to uptake and remove pollutants from the environment. We support these systems with careful detailing of form and space to enrich the design. Projects range in scale but all are enriched with an ecological component. Please visit our website: [www.offshootsinc.com](http://www.offshootsinc.com)

Candidates should be self-motivated, with a creative design sensibility and an interest in ecologically connected landscapes. Prior professional work experience is required including experience with construction document preparation in AutoCAD. Plant knowledge is preferred but not required.

Our culture at Offshoots promotes a healthy work-life balance and includes the following benefits:

- Hybrid work environment: 3 days required working in office in combination with 2 days optional to work remotely each week
- Paid time off for personal, vacation and sick leave
- Benefits including medical, retirement, long-term and short-term disability and life insurance
- Annual continuing education allowance

Offshoots is seeking a full-time candidate to join us immediately. Please email cover letter, resume, contact information for three references, and portfolio to [office@offshootsinc.com](mailto:office@offshootsinc.com).
