

WOLF TREE

LANDSCAPE ARCHITECTURE

28 MAIN STREET, SUITE 5
ESSEX, CT, 06426

APPLICATION DEADLINE: 08.30.2024

INTRODUCTION:

We are seeking an individual interested in joining our wolf pack with the opportunity to grow and engage in all phases and aspects of the design process.

Wolf Tree creates surroundings that elevate Nature's beauty and promote a sense of place. Our work honors Earth's rhythms to enhance ecological diversity, developing landscapes that are meaningful, artful and sustainable. We provide in-depth, professional services in landscape architecture ranging from site master planning, detail design, construction documentation and project coordination.

Our primary territory is high-end residential design and site planning with a light focus in the commercial and institutional realms.

JOB REQUIREMENTS:

- Bachelor's degree from an accredited landscape architecture program
- 0-3 years applicable experience
- Proficiency in AutoCAD, Adobe Suite, MS Office, Sketch-up, and 3D modeling
- Proficient organizational and time management skills
- The ability to work effectively in a collaborative environment
- Strong verbal and written communications skills required

JOB DESCRIPTION & RESPONSIBILITIES:

- Work as part of a team
- Assist with drafting and schematic design presentation graphics
- Field / site work
- Planting design
- Design development and construction detailing
- Work alongside our canine team member, Georgia

APPLICATION REQUIREMENTS:

- Resume
- Cover letter
- Portfolio in PDF format
- Letter of recommendation from a professor for individuals who graduated between December 2023 and May 2024
